CORPORATE PROFILE

(This Corporate Profile Covers Macmay Group's Business Overview)

***OUR COMPANY OVERVIEW*:**

Macmay currently as at the date of this publication runs 3(three) Limited Companies and 1(One) Enterprise, as earlier mentioned. The Group is made up of Macmay Multifarious Company limited, Macmay Farms And Agro Company Ltd, MFAC Foods Ltd and an Enterprise, the defunct Savings System which now is classified to be the Business Development, Management And Support Platform; Macmay Innovative Resources.

***INTRODUCTION*:**

A. Macmay Multifarious Company Limited (hereinafter referred to as 'Macmay' or 'the Company') is a savings and fund management company based in Nigeria. The Company was born out of the burning desires to provide a platform that stimulates, inspires and encourages a profitable savings culture.

Macmay is carefully positioned to render savings and investment services to clients/members. Hence, the company recognises the general lack of proper saving culture and investment practice amongst members of the society and as such has stepped in to bridge the gap. To this end, the Company and its promoters is poised to ensure that clients/members have value for their savings investment funds by carefully investing and running businesses on behalf of clients/members in viable/productive value chains, businesses and various sectors of the economy.

B. Macmay Farms And Agro Company LTD is an agricultural company that is based in Nigeria. The Company (Macmay Farms And Agro Company LTD) was formed out of a burning desire to enhance the Agro and Agriculture Related Sector, from the Affiliate Company (Macmay Multifarious Company LTD); to render Agricultural and other Agro Services to people. In the world that we live in today, Agro and Agriculture, Allied Services is one of our major necessities, that is why Macmay Farms And Agro Company LTD is made available to render its full service to as many people that will be in need of Agricultural products, and also for the purpose of buying and selling locally and internationally as well as investing in any related Agriculture reforms that will be beneficial to the society.

Agriculture is a major system that brings about balance in the society and a long aged sector that the world trusts in for continued food production.

C. MFAC Foods Ltd is an indigenous Nigerian company established on March 15th, 2021 for the purpose of enhanced food processing, and non-agricultural food production/distribution across the globe. We are engaged with the business of manufacturing nutritious and tasty food made from the best of West Africa's fruits, herbs, vegetables, and other agricultural produce.
